By signing this application, I consent that UKC has the right to **modify, amend, alter, update, or otherwise change** the information supplied in this application in the method UKC deems appropriate for the dog(s) in question **as necessary to correct my application errors or omissions**. I further agree if said dog is not eligible for the method of registration I have selected, whether available or unavailable as an option on this application, UKC may, in its sole discretion, fulfill the registration request **in an alternative manner. UKC will select an alternative method for registration that is as comparable to the original selected method of registration as possible**. Potential alterations I am authorizing include, but are not limited to: changes of color, sex, denial of entry into the UKC/Field Dog Stud Book (FDSB) registry and execution of this application to produce UKC Bloodlines® Listing Services credentials for this dog instead of what is selected. Further, I understand that paperwork issued under UKC Bloodlines® Listing Service does not convey the same rights and privileges as the full UKC/FDSB registry. I agree that even if this application is submitted for the UKC/FDSB registry, but the dog is provided UKC Bloodlines® Listing Service credentials instead due to ineligibility, or the application is otherwise corrected for error or omission, **I am only eligible for a refund for the difference of any selected method of registration upon request and return of paperwork to UKC less a \$5 processing fee**. I agree that UKC's selection of an alternative method of registration or correction of an error or omission shall not constitute a material modification, amendment, alteration, update, or change to this application and acknowledge that the purpose of such modifications, amendments, alterations, updates, or changes are to prevent service and processing delays and/or ineligibility. I understand that if any refund check is issued and I fail to cash the check within the 90 days, UKC will cancel the check and will not issue a new check.

ADDITIONAL SUCCESSORS: Up to three additional Successors may be listed on this dog's record. Persons listed as Successors will be listed on the registration documents as part owner but will not be authorized to sign any registration documents, transfers, litters, etc. pertaining to this dog. These individuals below should be listed in succession. In the event of the death of, incapacitation of, or other circumstances that would require the removal of the listed Sole Signatory, the Successor One will become the official Sole Signatory.

By signing as a Successor, I authorize and understand that the individual listed on the front of this application as the Sole Signatory will be responsible for signing all registration documents pertaining to this dog on my behalf. I further understand that the designated Sole Signatory may delete or change Successors without my knowledge or consent.
